2022

Becket School

Uniform Policy 2022 (to be ratified by Governors May 2022)

Uniform plays an important part in supporting and promoting our ethos of 'Work hard, be kind and do the right thing'. It sets the appropriate tone for education and also provides a sense of belonging and identity to our Catholic school.

Working with our supplier the cost of our uniform is reviewed each year to ensure that it is 'reasonable and secures the best value for money and parents'. We recognise that the quality and durability of a garment are important considerations alongside its base cost, as we know that high quality uniforms are sustainable and long lasting, producing savings for families over the longer term.

The compulsory branded items that are included in our general school uniform have been kept to the minimum and are longer lasting items. For the general school uniform these include the school trouser, school skirt and tie and for the PE kit include the PE shorts and PE polo shirt. Other branded items are optional.

For selected items including the tie, school badge, school trousers, school skirt, PE shorts, PE polo shirt and PE socks the school has a set provider (Big Fish). Purchasing items from our supplier is highly recommended as parents can then be certain that uniform is correct. The service they provide includes:

- Online ordering from <https://www.bigfishschoolwear.co.uk/school/login> , The login details for this is Username: Becket Password: Pelican6
- Uniform events in the Summer term which parents will be informed of
- Free delivery service to the school during term time only or Deliveries to home via the DPD company which comes with a delivery charge
- Personalised service for parents that may need uniform that is different from the standard sizing

The school ensures that there's is a competitive procurement process and this contract will be re-tendered at least every five years. These arrangements provide better value for money for families, ensure year round availability of products for all pupils, and enables our retailer to provide tailored affordability support to those who need it.

The school provides extra support with the cost of school uniform to eligible families. We also ensure a constant supply of second hand uniform which is available for parents to acquire. We will ensure that all second hand uniform is still of a high standard and suitable for second hand provision. Parents, who wish to access second hand uniform or feel that they would be eligible for extra support with the cost of our school uniform are to contact their child's Progress Leader.
